In 1989, I obtained a Diploma in Business Management from the Hong Kong Polytechnic. Following my graduation, I was introduced to join the Executive Committee (執行委員會) of Raimondi Alumni Association (高主教校友會) in 1990 and was elected as President from 2014 to 2018. During such period of time, I actively participated in organising Annual Balls, Poon Choi dinners (盆菜宴) and Golf Days for alumni and provided various donations, sponsorships and supports for Lunar New Year Fairs Projects for students and various RC Sports Activities, etc.

During my presidency, I led the team in organising Raimondi College 60th Anniversary Banquet with more than 100 tables held at the Hong Kong Convention & Exhibition Centre. I am the Founder and currently Executive Director of AMC (Exhibits) Limited. I am also Vice Chairman of the HK Exhibition & Convention Industry Association from 2018 to 2024.

Our most respected Rev. J. Carra and Mr. A.C. Morales inspired me on how to walk the motto: "Once A Raimondian, Always Raimondian". If I am successfully elected to be the Alumni Manager, I will continue support the management and developments of Raimondi College from the perspective of Alumni. Your vote is very critical so please come back to our Alma Mater to vote Adolph Chan (陳誠豐) on 27 May 2023.
