Personal Statement

Dear Fellow Alumni,

It is with deep pride and humility that I, Wong Yan Lok Charles 黃仁樂(F7, 1996), announce my candidacy for the position of Alumni Manager to represent you in the Incorporated Management Committee of Raimondi College. My family's three-generation bond with the school—my mother, Ms Hung Yin Fong, dedicated 30 years as a primary school teacher here; my nephew currently studies in our secondary division; and my journey as a student, alumnus, and active contributor since 2019—fuels my unwavering commitment to safeguarding Raimondi's legacy while nurturing its future. With your trust, I pledge to leverage my professional expertise in compliance and my hands-on leadership experience in our **Raimondi Alumni Association (RAA)** to uphold the integrity of our alma mater and foster unity across all stakeholders.

My Connection to Raimondi: A Legacy of Service

Raimondi College is not just my school but my family's home. My mother's three decades of service as an educator instilled in me the values of diligence, integrity, and community that define Raimondi's spirit. As a student, I thrived in an environment that balanced academic rigour with compassion, lessons that guided me into a career combating financial crime with institutions like the **Hong Kong Customs, ICAC, Hong Kong Monetary Authority**, and global banks like **HSBC**. My professional journey has centred on upholding ethical standards, investigating misconduct, and designing systems to promote transparency—skills I now seek to apply in service of our school.

Since 2019, I have served as **Treasurer** and later **Vice President** of the **RAA**, where I streamlined financial operations, organised networking activities, and developed career-sharing programmes for alumni and current students. These experiences have equipped me to bridge the aspirations of

alumni, students, teachers, and parents with the strategic vision of the School Board.

Vision: Integrity, Stewardship, and Intergenerational Unity

If elected, I will focus on three pillars to strengthen Raimondi's community:

1. Upholding Integrity & Positive Values

Drawing on my anti-corruption and compliance background, I will work to ensure transparency in alums and school governance.

2. Financial Stewardship & Alumni Engagement

Develop a sustainable fundraising strategy to support scholarships, campus sustainability projects, and extracurricular programs.

3. Celebrating Legacy, Empowering Future Generations

Creating intergenerational mentorship circles, pairing seasoned alums with students and young graduates for career guidance.

Why I Am Ready to Serve

My unique blend of professional rigour and heartfelt ties to Raimondi positions me to lead competently and passionately. Having served the RAA during pivotal moments—from pandemic-era virtual reunions to our centenary celebrations—I understand the challenges and opportunities ahead. My mother's lifetime of service reminds me daily that Raimondi's greatness lies in its students and all other stakeholders.

A Call to Action

Whether you are a recent graduate or a decades-removed alumnus, your voice matters. Together, we can honour the sacrifices of those who built Raimondi while ensuring it remains a beacon of excellence for my nephew's generation—and beyond. I humbly request your vote to serve as your Alumni Manager, guided by our school's motto: **In Constantia Fortitudo**.

Let us write Raimondi's next chapter, which is rooted in integrity and united in purpose.

With gratitude,

Wong Yan Lok Charles 黃仁樂(F7, 1996)

Vice President (2023–Present), Raimondi Alumni Association
